

List of Things to Clean

Note: tasks 3 through 5 may happen in parallel during task 2.

- 1. Take out garbage (monday, early in morning because of bear)
- 2. In the garage
 - Lucas and I should start with this, but the cleaning lady doesn't need to start with this
 - vacuum and sweep out wood dust
 - Wipe off shelves and plastic containers
 - Help Lucas and I throw stuff away
- 3. Shake out all rugs in the house, over the grass
 - Excluding the rug in the study
 - Leave them in the breezeway building, after they're shaken out. If it's raining, leave them on the steps
- 4. Vacuum all nooks and crannies of bottom floor
 - Cleaning lady should start with this
 - DO NOT VACUUM GOLD CARPET
 - Move things and vacuum
 - behind cabinets
 - Use the small blue vacuum to vacuum the downstairs
- 5. Mop blond floor and linoleum using Vinegar and water
 - Lucas and I need to move all the chairs in the livingroom/dining room area into the breezeway
 - Wipe off the feet of each chair
- 6. Lucas needs to get everything off his floor and vacuum it out
- 7. Clean downstairs bathroom
 - Entire bathroom, including shower, sink, toilet, floor, & counters
- 8. Clean out both toilets upstairs
- 9. Bathroom upstairs
 - Clean toilet
 - Clean countertops
 - Clean floor
 - Clean sink
 - DO NOT CLEAN SHOWER OR TUB
- 10. Start defrosting the freezer
 - No scraping, no washing with hot water
 - Can use hair-dryer

- 11. Need both refrigerators cleaned (outdoor one first)
 - Starting with the outdoor freezer
- 12. Sweep off the deck
 - Use water and push broom to make it slightly more clean
 - Move things off deck
 - Lucas and I may need to move the trees. Mom recommends not moving them off the deck, just shuffling them around
 - Start with the south side of the deck
- 13. Wipe off all hoses
 - Use diluted bleach water
 - Soak a cloth in solution, run wet cloth along the length of the hose
- 14. Clean the OUTSIDE of the Grill
 - Use a hose and some Barkeepers friend to clean the outside of the grill
- 15. Clean the small concrete patio in back
 - Sweep
 - remove wood, then use hose to spray off little patio
- 16. Mow the lawn
- 17. Pull weeds under eaves of garage
 - Put on gloves for this
- 18. Blow off the driveway
- 19. Wash out garbage cans (using diluted bleach-water)
